

## Conversation après le boulot

-incendies aux états unis :

-wild fires in california

-from Los Angeles to the fronteer of Oregon (plan)

-WTF ! fiveteen hundred kilometers along the west coast ?!

-twenty three thousand hectares of Forest disapered

-a dozen of wild fires in progress, controled at 10 percent

-because of the heat-wave ?

-twenty wild fires have declared durring the working fest !

-more than seven hundred firemens mobilized

-seven hundred around Los Angeles

-twenty thousand people evacuated !

-four thousand houses evacuated aroud Los Angeles

-in the same area, 6 thousand hectares were destroyed by fire

-in this area are Disney's and Warner Bros's studios

-Three buildings were destroyed

-10 death, 7 in the same comty / fiveteen hundred destroyed houses

-mediocre air quality and bad visibility

-fires have names, this one is named "Tuna" !

-it comes from his start, and it begins in the "tuna canyon"

-can we have the bill ?
