For the group who work for Microsoft, tell us about the task everyone has done
OracleCloud
Nvidia
Amd
Ubisoft
Google
Oracle

Who decides the repartition of the task inside of the gorup

For you, the repartition of the work has been made equal or someone work more or less than the others

The group needed to put in common her work so who made it and what is his feeling about the task

For the one that make the graphical work inside the group AMD, what technic did you use to respect the graphical charter
Oraclecloud
Nvidia
Microsoft

For Oraclecloud did you feel some problem of cooperation or communication during the work
Oracle
Nvidia
Microsoft
AMD

Kevin have you had difficulties with working by yourself
